

Reference: FOI 50241 HIOW D9Y0V

Subject: Physiotherapy Waiting List

I can confirm that the ICB have now completed the search for the information requested, please see responses below:

QUESTION	RESPONSE
1. Average waiting times for community physiotherapy referrals (initial assessment) in 2024.	The average waiting time was 8.42 weeks, or 58.9 days.
2. Number of patients currently on waiting lists for these services as of the latest available date.	22,863 patients are currently on the waiting list for these services.
3. Number of patients being admitted to hospital while being on the waiting list for physiotherapy.	<p>This information is not held by the ICB. We therefore suggest you contact the Trusts directly, as they may be able to provide the data required. Please see the links below:</p> <p>https://www.hampshirehospitals.nhs.uk/about-us/freedom-information</p> <p>https://www.iow.nhs.uk/about-us/requesting-information</p> <p>https://www.uhs.nhs.uk/about-the-trust/privacy/requesting-information-about-university-hospital-southampton</p> <p>https://www.porthosp.nhs.uk/about-us/information-governance/freedom-information</p>
<p>Please provide the data in weeks or days, broken down by service if possible. If exact figures for 2024 aren't available, please supply the most recent data. <i>The information provided is for community physiotherapy.</i></p> <p>If available, please provide the same information for 2022 and 2023 to show any trends. <i>This data is not available.</i></p>	

The information provided in this response is accurate as of 14th April 2025 and has been authorised for release by Hampshire and Isle of Wight ICB.
